

Years 10 & 11 Uniform for QESTudio

What will I wear on my specialist pathway days?

You'll need to wear your specialist kit. A full list is attached. You will see that we will order and pay for some of the items for you so make sure you complete the specialist kit order form with your sizes and get it back to us by the deadline date on the form.

You'll can also purchase a QESTudio black hooded sweatshirt to wear as an extra layer on your pathway day. This is available from Monkhouse along with the rest of the QESTudio uniform.

It is very important to follow the guidelines for each specialism in terms of what you need and how you should dress for your specialism as you need to be both professional and safe on your pathway days.

What about the days when I'm in normal lessons?

You'll need the QESTudio green fleece, kilt/ trousers, white shirt and QESTudio tie. You can buy these from Monkhouse. Check your specialist kit requirements as some of them say you can wear school uniform black trousers for the specialism. If you have a QES fleece that fits you then you can buy a sew on badge to replace the QES emblem. There are three ways you can buy uniform:

- Online at www.monkhouse.co.uk You might have to pay delivery charges but you can get your order delivered to school free of charge and pick it up from us during the summer. (We have samples in school that you can try on before you order if you're not sure of sizes. Just phone the office to arrange a time to come and try on.)
- At the Monkhouse shop in Preston's Fishergate Shopping Centre. The shop is open 5 days a week including Saturday during the summer break. Please call them to check they have what you need before setting off: 01772 259586.
- At the sell session in school on GCSE results day (Thursday 23 August) between 12pm - 4 pm

We've enclosed the detailed explanation of our high standards of presentation but if you're not sure about something just ask.

What should I do if there's a problem getting the right uniform?

Contact us as soon as you can if you think there might be an issue. There is always something we can do to help. The main school office is open during the summer so a quick phone call is usually all it takes. (015242 71275)
